*1944 – 2013*

The Class of '62 mourns the loss of its member, Tom Moore, who served in Vietnam. Tom passed away on December 7, 2013 following years of coping with COPD. He had been hospitalized for the past two years at the Veterans Administration Medical Center in Washington, D.C. His home was in Woodbridge, VA.

Following his service in Vietnam, Tom continued to serve our nation as a federal employee, retiring from the Interstate Commerce Commission. He was a volunteer with the Veterans of Foreign Wars in Woodbridge until hospitalized in 2012. He then became a member of the Veterans Administration's Post Traumatic Stress Disorder support group and supported other members.

In addition to his three brothers, Tom is survived by four children, seven grandchildren, and several nieces and nephews.

Tom is remembered as a member of the Lancers football teams in each of our four high school years. He also enjoyed volleyball and other outdoor sports. In later years, he mastered playing bridge, poker, and black jack. Washington area members of the Class of '62 always enjoyed his company at our annual barbeques, and at our lakeside '62 is 60 Birthday Party in 2004. Most recently, Tom and his older brother, Jack, attended our 50<sup>th</sup> reunion in June 2012. Tom will always be remembered as a classmate and friend, and appreciated for his service to our country.

Tom's family extends an invitation to those who knew him to attend a memorial service on Thursday, May 29, 2014 at 11:00 at Quantico National Cemetery, 18424 Joplin Road (Rt. 619), Triangle, Virginia. Immediately following the service, a reception will be held in Prince William Forest Park across Joplin Road from the cemetery. Please RSVP for the reception and come share your memories with the family. [See the invitation, directions, and map below.]

The family suggests that any remembrances be made in the form of a donation to *Soldier's Best Friend* for the treatment of Post Traumatic Stress Disorder ( <http://soldiersbestfriend.org/> ), or to the American Lung Association ( <http://lung.org/stop-smoking/about-smoking/preventing-smoking/> ), with "Tom Moore" noted in the memo field.
